Executive Director Search Commences

The National Registry of Emergency Medical Technicians (NREMT) is looking for an outstanding individual with visionary leadership and management skills to become its next Executive Director. The outgoing Executive Director is retiring after 25 years of service in this position.

The NREMT invites applications from candidates with a minimum of a Bachelor's degree (graduate degree preferred) and the abilities and experience described in the Executive Director Profile located on the NREMT [website](#).

The Executive Director is responsible to lead The Nation's EMS Certification®. The ideal candidate will have a background in EMS and experience in leadership, organizational vision, examination development, budget preparation and management. The successful candidate must relocate to Columbus, Ohio. Compensation and benefits are negotiable and commensurate with experience and qualifications.

Interested candidates should refer to the Executive Director Profile for further information.
