

Policy Name	Scoring: Cognitive Examinations
Policy Number	63.01
Approval Required By	Board of Directors
Version Number	01
Version Effective Date	TBD

Intent

Ensure cognitive examinations are scored in a manner consistent with accreditation standards and generally accepted psychometric practices.

Scope

Establishes scoring requirements for all cognitive examinations.

Definitions

Not applicable

Policy

Responses on cognitive examinations are scored based on criteria established by the National Registry. Procedures for scoring and ensuring scoring accuracy are developed and followed.

Rationale

Accurate scoring is central for supporting reliable pass/fail decisions.
