

Standardized Course Guide - NCCP 2016

Instructions: You may apply the standardized course (top/horizontal row) to the NCCP Model topics (left/vertical columns) anywhere there is a (✓).

You cannot exceed the maximum total number of hours allowed per course. An (N/A) indicates that the subtopic is not required for the particular level.

Example: You took CPR for 3 hours. You can assign 3 hours total to the National Component where there is a (✓) or assign to the Local or Individual Component of your application.
